

UNITED KINGDOM ASSOCIATION FOR EUROPEAN LAW

**Joint UKAEL/School of law Workshop
Friday 13th May 2011**

**Venue - Hugh Fraser Seminar Room , Wolfson Medical School Building
University Avenue, University of Glasgow**

EU Criminal Law and the UK: Where do Rights come in?

This one day workshop brings together a range of distinguished academics and practitioners to explore where and how rights fit in to the application of EU criminal law in Scotland and the UK. In addition to offering a useful account of the post Lisbon landscape this conference will offer practical perspectives on the application of the European Arrest Warrant and an account of how rights in the criminal law field are being developed at both EU and ECHR levels.

9.30 -10.00 Registration and refreshments (Atrium, Wolfson Medical School Building)
